Session Zero Roleplay Sheet

Spoiler-safe Storm King's Thunder fit and party connection notes.

Character concept

One-line concept	A steady hill dwarf temple healer sent north to watch troubling signs, protect families, and keep frightened people alive.
Deity	Berronar Truesilver, dwarven goddess associated with home, family, loyalty, and protection.
Personality	Patient, grounded, plain-spoken, and difficult to rattle.
Ideal	The strong are given strength so the vulnerable have someone to stand beside them.
Bond	His temple has seen the Roane name on relief ledgers and has reason to trust Alphonse's family at least cautiously.
Flaw	Can become stubborn when he believes a duty is clear.

Party ties from Session 0

Alphonse J. Roane	Roane house has tithed to northern temples. Dorrin knows the name from relief ledgers, so Alphonse is not a stranger even if they are not friends yet.
Wren	Dorrin sees Wren's levity as useful medicine for grim roads, even if he pretends not to enjoy the teasing.
Campaign fit	A temple healer travelling north fits rumours, refugees, injured villagers, and settlement trouble without needing campaign spoilers.

Strict 5e level-up reminders

Level	Reminder
Cleric 2	Channel Divinity begins. Life Domain adds Preserve Life.
Cleric 3	2nd-level cleric spells arrive. Domain spells expand.
Cleric 4	Ability Score Improvement or feat if the table allows feats. This table currently assumes no feats.

Table reminders

Rules posture	Ask questions freely, but Marcus makes the DM call at the table.
Front line	AC 18 is sturdy at level 1, but Dorrin is not invincible. Stay near allies.
Safety	Pause means pause, no explanation required. Body horror avoided.
Tone	Serious heroic fantasy, danger allowed, not grim or graphic.
