Core Features

- Bardic Inspiration: d6, 3 per long rest.
- Jack of All Trades: +1 to non-proficient ability checks.
- Song of Rest: d6 bonus healing during a short rest.
- College of Lore: Bonus Proficiencies; Cutting Words - reaction, expend inspiration to subtract d6 from enemy attack, ability check, or damage roll.

Spellcasting

Item	Details
Cantrips	Vicious Mockery, Minor Illusion
Known 1st	Sleep, Healing Word, Faerie Fire, Dissonant Whispers, Feather Fall
Known 2nd	Invisibility
Slots	4 first-level, 2 second-level

Equipment

Leather armour, rapier, dagger, entertainer's pack, lute, viol, costume, favour of an admirer, belt pouch.

Current Campaign Note

Bardic Inspiration is the most renewable high-impact resource. Use Cutting Words to prevent a dangerous hit or reduce a decisive damage roll.

Wren - Play Notes

Section	Notes
Role at table	Support, morale, social reading, and battlefield disruption. Wren is the person who notices fear before it becomes panic.
Personality	Warm, witty, observant, nervous but brave. She uses humour to keep breathing and music to keep others steady.
Cave priorities	Faerie Fire on clusters, Healing Word to pick up a downed ally, Invisibility on Kella or a scout for a rescue angle, Cutting Words against a decisive ogre hit.
Best level 3 tactics	Cutting Words can save a life. Bardic Inspiration on the person making the dangerous crossing, grapple escape, or negotiation roll.

Rules Integrity Notes

This is a custom table-use sheet for 2014 D&D 5e. It lists maximum level 3 capacity. Current spell slots, HP, and active effects during the live chat campaign should be checked against Marcus's latest state before play resumes.
